

FOR IMMEDIATE RELEASE

Matlock OB/GYN Physician Again Named “Best of Mansfield”

Dr. Robert Greve selected for the fourth consecutive year

Arlington/ Mansfield, TX – January 27, 2010 – Matlock OB/GYN physician, Robert A. Greve, M.D., has been named “Best of Mansfield” in the category of Physician, for the fourth consecutive year. The *Mansfield News Mirror* published the results after a two-month process that solicited votes from readers reflecting their choices for “Best” in a broad range of business and retail organizations.

Voters went online to the newspaper’s Web site and reviewed 56 categories. A voter must vote for the “Best of...” in at least 28 categories for the vote to be counted. Steps are also taken to ensure that one vote per e-mail address is cast.

Dr. Greve has been with Matlock OB/GYN since 2003 and has practiced Obstetrics and Gynecology in the Mansfield and Arlington area since 2000. He has been named “Best of Mansfield” every year since 2007.

“Dr. Greve is an outstanding example of what’s unique about Matlock OB/GYN – and what’s great to know is that there are nine more doctors like Dr. Greve ready to respond to the health issues facing women of North Texas today,” said Julie Zook, the practice administrator at Matlock OB/GYN.

Dr. Greve completed his residency training at the University of Texas Medical Branch (UTMB) in Galveston. While at UTMB, he served as chief resident and was awarded the Best Resident Award and the Best Resident Teacher Award, the two highest honors bestowed by the department.

He attended Medical School at UTMB and completed his undergraduate education at Texas A&M University where he graduated Magna Cum Laude.

About Matlock OB/GYN

Matlock OB/GYN is a group practice of eight progressive, experienced physicians dedicated to bringing North Texas women the latest in smart, caring and professional women’s healthcare. Together with a skilled team of nurses and office staff, Matlock OB/GYN offers complete gynecological and obstetrical care for females from their early teen years through menopause and beyond.

Matlock OB/GYN has a 20-year legacy of serving North Texas women – now from two locations in South Arlington and Mansfield. The hallmarks of the practice are holding the highest clinical standards, offering an atmosphere of open communication and

sensitivity, and providing education that allows the patient to fully participate in every aspect of her healthcare. In addition to traditional obstetrical and gynecological services, the practice specializes in solving women's common issues with the most advanced, minimally-invasive surgical techniques.
